

AGREEMENT FOR COOPERATION BETWEEN
ODESSA STATE ENVIRONMENTAL UNIVERSITY (UKRAINE)
AND LABORATORY CONNECTION SERVICES (LCS LABORATORY)
INCORPORATED (LONDON, CANADA)

Acknowledging the necessity of expansion of scientific contacts and cooperation between the research institutions of Canada and the related departments (faculties) of higher educational establishments of Ukraine, wishing to assist deeper understanding and confidence between Ukrainian and Canadian peoples the parties agreed to promote cooperation in the following activities:

1. Development and implementation of joint scientific research in the area of Environmental Safety Technologies;
2. Furtherance in exchange of researchers from both countries concerned for conducting scientific work as well as delivering lectures, seminars and master-classes on high progress in science and industry;
3. Joint publication of scientific achievements, preparing seminars and/or conferences;
4. Exchange by scientific information and cross referring exchange.

The present agreement does not exclude other forms of cooperation aimed at further development of relations between the parties.

The parties appoint responsible persons for coordination of cooperation activities: Professor O.I. Gerasymov, on part of Odessa State Environmental University and Dr. S. Reut, on part of LCS Laboratory Inc. (London, Canada).

Scope of cooperation for each consequent year will be developed by the parties on the basis of the present agreement.

This document is not a matter of any financial obligations in between the participating organizations, Odessa State Environmental University and LCS Laboratory Inc.

The present agreement is completed in 4 copies in English: 2 copies for each party.

This agreement takes effect on the date when it is signed by the representatives of the two institutions and is valid for 10 years.

If the partners feel that additions or modifications are needed, the same procedure of mutual ratification must be reapplied. The annexes will be attached to the Agreement.

The Agreement can be terminated at any time by any of the partners, provided a two-month notification is given.

The Agreement is signed:
